

The combined GV Health and Clinicians Health Channel E-Resources can be accessed from offsite via the GVH Library Internet site using your Athens logon. The web address of the GVH Library internet site is <http://gvhealth.intersearch.com.au>

Books.

1. Go to the Library's Internet site
2. Locate your book in the catalogue
3. Choose the **Offsite via Athens** link in the book record. You will then be prompted for your Athens logon.
4. Input your Athens logon and you will then be taken to the *Table of Contents* of the book and you will have full access. Most of our E-Books will have PDF's available for each chapter.

Databases / Journals.

Clinicians Health Channel (CHC) Journals and Databases and Open Access (free) titles have been integrated into our GV Health list of **E-Resources** to allow staff access to these resources via a single entry point.

1. Go to the Library's Internet site
2. For all Journals and Databases choose the **A-Z Resource List** link on the left side of the screen and login when prompted using your Athens logon
3. Search for your Journal/Database
4. Choose a provider link below the title to access the Journal / Database

***** Quick links are provided on the left side of the screen to the most popular Resources *****

Athens Authentication

GV Health use the **Athens** Authentication system for offsite access to ensure that only legitimate users can access our resources. Please contact the Library if you wish to have an Athens account setup for you – we will require your name, Department and e-mail address to create an account.
