- A/V equipment for viewing A/V resources
- Toilets

Main Book Collection

Book Collection and Loans Counter

New Book / Journal Display

Open Access Computers

Small Tutorial room

Loans

- 2 week loan + 2 renewals
- Maximum of 12 items concurrently
- Must complete Registration Form - Username/Password sent to you which will allow you to renew your books or place holds on books
- Must have work ID on you when you borrow
- Joint-use Library - books from 3 Organisations are available for loan – GVH, UoM and LU
- Print Journals are not for loan – most of our print Journals are now available electronically

Offsite Access to GVH Resources ...

- <https://gvhealth.libguides.com/home>
- Access to GVH resources from offsite is via **OpenAthens** – an authentication system used by Organisations worldwide
- Complete a **Borrower Registration Form** if you wish to have an account set-up and we will e-mail you a username & password
- **OpenAthens** will provide you with access to **BOTH** GVH and the State-provided **Clinicians Health Channel** Resources **via the above site**, with the exception of Up-to-Date and Access Medicine.

Offsite access to E-Books ...

1. Go to the GVH Library Website - <https://gvhealth.libguides.com/home/>
2. Go to the **Catalogue/Databases/Drug Guides** tab and select the **Library Catalogue**
3. **Enter search terms (author, title, subject, keyword)**
4. Select the “Electronic Book” box below the search boxes and search for your book/topic
5. Once located, go to the full record of the book and choose the “**Offsite via OpenAthens**” link
6. Login with your **OpenAthens** Username/Password and you will be taken to the “Table of Contents” of the Book. PDF’s are available for book chapters in 95% of our books.

Offsite access to E-Journals ...

1. Go to GVH Library Internet Site:
<https://gvhealth.libguides.com/home>
2. Click on the **Catalogue/Databases/Drug Guides** tab at the top of the screen and then select the **Electronic Journals** link on the left side of the page
3. Search for the title of your Journal / Database in the search box
4. Click on the **Publisher** link under the title to access the Journal
5. Login with your **OpenAthens** Username and Password
6. If the Journal is not on our list please e-mail add your request details to us and we can source your article and e-mail it to you within 24-48 hours.

Please note that all GVH and CHC Journals are accessible via this list - this is the access point recommended as it provides the FULL list of what is available.

Offsite access to Databases

CINAHL, MEDLINE, PsycInfo, EMBASE, JBI EBP Database, Cochrane Library

Access to these is the same as E-Journals via the **Catalogue/Databases/Drug Guides** tab on the **GVH Library Internet site** - see the previous screen for instructions.

Offsite access to Drug Guides ...

MIMS, AMH, Therapeutic Guidelines, Micromedex ...

Access to these is the same as E-Journals via the **Catalogue/Databases/Drug Guides** tab on **GVH Library Internet site** - see the previous screen for instructions

Clinicians Health Channel (CHC)

<https://www2.health.vic.gov.au/clinicianshealthchannel>

- Access to all these resources is available via the CHC website while at work
- All CHC resources are provided by the Victorian Health Department and have been integrated into our GVH Library website

Please note:

- Access via the CHC will only provide you with access to the State-provided resources **NOT** the GVH provided resources - we recommend you use the Library's Internet site when offsite instead of the CHC website so you have access to the combined GVH / CHC resources in one spot using your **OpenAthens** logon
- **OpenAthens is no longer used by the Clinicians Health Channel for authentication on their website**

Mobile Apps ...

Registration for the mobile versions of the following resources is available via the Library Intranet website:

- MIMS
- BMJ Best Practice
- eTG

You must register on a GVH computer to gain access access.

OpenAthens will NOT work for these resources.

Mobile versions of other resources such as Up-to-Date and ClinicalKey are also available – see our **Apps** link on the **Catalogue/Databases/Drug Guides** page for further information.

Up-to-Date Anywhere

- Access is via the Up-To-Date website: <http://www.uptodate.com>.
- Registration must be done at work on a GVH computer at the above website – all staff are welcome to self-register
- Users are required to logon to a GVH computer once every 3 months to maintain access – you will receive e-mail notification that your account is about to expire
- A mobile App. is also available

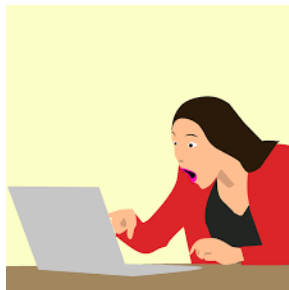

ClinicalKey

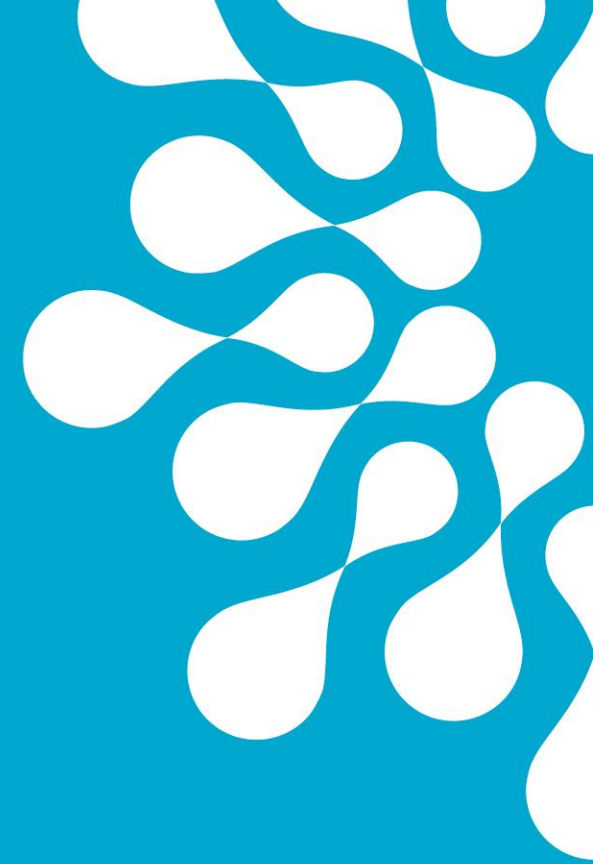

- Accessible directly via <https://www.clinicalkey.com.au> using your **OpenAthens** logon
- Click on the top right corner to login, IGNORE the boxes on the left side of the next screen and click on the **OpenAthens login to the right** and input your OpenAthens logon – the main search screen will appear
- Full text Journals, E-books, images and videos are available - a very useful section of the database is “Procedures Consult” which presents “how to” material for a variety of Procedures

New in 2023 at GVH ...

- Covidence
- SPSS
- Specialist Alert SDI Searches
- More Classes ... CINAHL, Medline ...

Healthy Communities
